Just to try and recall the whole year

With all of our running and all of our cunning
A7                G                D

If it suddenly ended tomorrow
G                        Asus  A7
I could somehow adjust to the fall

Ive seen more than I can recall
