Intro Bm-Em-A-Gbm-Bm-Em-A-Gbm

Oh I, I just died in your arms tonight

It must have been something you said, I just died in your arms tonight

I keep looking for something I can't get
Broken hearts --lie all around me

And I don't see --an easy way-- to get out of this

Her diary it sits on the bedside table, the curtains are closed
The cats in the cradle

Who would've thought that a boy like me --could come to this

Oh I, I just died in your arms tonight

It must have been something you said, I just died in your arms tonight

Oh I, I just died in your arms tonight

It must've been some kind of kiss - I should've walked away

I should've walked away

Is there any just cause for feeling like this?

On the surface I'm a name on a list
I try to be discreet but then blow it again

I've lost and found-- it's my final mistake -- She's loving by proxy

No give and all take 'cos I've been thrilled to fantasy --one too many times
