Touch The Morning
Tab Chords And Lyrics
By Don Gibson

Intro – D

G      D
Take the time to touch the morning - Whoa, you'll wish you had some day
G      D
Take the time to touch the morning - Before it slips away
A      G      D
Have you ever seen the sunshine - Peepin' through a window glass
A      G      D
Have you ever noticed Jack Frost - Etched so lightly on your grass
A      G      D
Have you ever tasted apples - With the dew still on the skin
A      G      D
Have you ever loved somebody - You'll never see again

G      D
Take the time to touch the morning - Whoa, you'll wish you had some day
A      D      D7
Take the time to touch the morning - Before it slips away
G      D
Take the time to taste the sunshine - While it hangs there from the tree
G      D
Take the time to touch the morning - Touch the morning on your knees

Break - G-D-G-D

A      G      D
I've been called a driftin' dreamer - A boy out of place
A      G      D
But I have touched the morning - Felt the cool upon my face
