Intro – C-G7

C                           Am

C                             Am
Now I've heard there was a secret chord
C                             Am
That David played - and it pleased the Lord
F                        G                   C       G7

But you don't really care for music - do you?
C                              F          G            Am                F

It goes like this - The fourth, the fifth - The minor fall the major lift
G                        E7          Am

The baffled king composing Hallelujah

G     F              Am             F                C     G    C   G7

Hallelujah, Hallelujah - Hallelujah, Hallelujah

C                           Am

C                             Am
Your faith was strong but you needed proof
C                             Am
You saw her bathing on the roof
F                        G                     C        G7

Her beauty - in the moonlight - overthrew you
F                              G       Am                F

She tied you to a kitchen chair She broke your throne, and she cut your hair
G                        E7                Am

And from your lips she drew the Hallelujah

G     F              Am             F                C     G    C   G7

Hallelujah, Hallelujah - Hallelujah, Hallelujah

C                           Am

C                             Am
You say I took the name in vain - I don't even know the name
F                        G                   C       G7

But if I did, well, really, what's it to you?
C                              F          G            Am                F

There's a blaze of light in every word - It doesn't matter which you heard
G                        E7          Am

The holy - or the broken Hallelujah
G     F              Am             F                C     G    C   G7
Hallelujah, Hallelujah - Hallelujah, Hallelujah

C              Am            C               Am
I did my best, it wasn't much - I couldn't feel, so I tried to touch
F                       G                     C        G7
I've told the truth, I didn't come - to fool you
C                     F           G          Am                     F
And even though it all went wrong I'll stand before the Lord of Song
G                    E7                  Am
With nothing on my tongue but Hallelujah

G     F              Am             F                C     G    C   G7
Hallelujah, Hallelujah - Hallelujah, Hallelujah
G     F              Am             F                C     G    C   G7
Hallelujah, Hallelujah - Hallelujah, Hallelujah
