Intro – C-D-Em-D-C-D-Em (x2)  

C                                          G  
Well you only need the light when it's burning low  
D                                          Em  
Only miss the sun when it starts to snow  
C                                          G D  
Only know you love her when you let her go  
C                                          G  
Only know you've been high when you're feeling low  
D                                          Em  
Only hate the road when you’re missin' home  
C                                          G D  
Only know you love her when you let her go  
Em C D Bm Em C D  
And you let her go  

Em C  
Staring at the bottom of your glass  
D Bm  
Hoping one day you’ll make a dream last  
Em C D  
But dreams come slow - and they go so fast  
Em C  
You see her when you close your eyes  
D Bm Em C D  
Maybe one day you'll understand why - Everything you touch surely dies  

C                                          G  
Well you only need the light when it's burning low  
D                                          Em  
Only miss the sun when it starts to snow  
C                                          G D  
Only know you love her when you let her go  
C                                          G  
Only know you've been high when you're feeling low
Only hate the road when you’re missin' home
Only know you love her when you let her go

Staring at the ceiling in the dark - Same old empty feeling in your heart
'Cause love comes slow - and it goes so fast
Well you see her when you fall asleep
But never to touch and never to keep

'Cause you loved her too much and you dived too deep

Well you only need the light when it's burning low
Only miss the sun when it starts to snow
Only know you love her when you let her go
Only know you've been high when you're feeling low
Only hate the road when you’re missin' home
Only know you love her when you let her go

And you let her go (oh, oh, ooh, oh no)
And you let her go (oh, oh, ooh, oh no)
Will you let her go?
