Forever Young
Chords & Lyrics
By Bob Dylan

Drop D tuning (optional)

Intro – D

D          A/Db
May God bless and keep you always - May your wishes all come true

Bm                                           G              D
May you always do for others - And let others do for you

D                              A/Db
May you build a ladder to the stars - And climb on every rung

G       A7sus    A7                   D
May you stay ---------------- forever young

A                   Bm            D    A7sus   A7                       D
Forever young, forever young ---- May you stay -------------- forever young

D                              A/Db
May you grow up to be righteous - May you grow up to be true

Bm                                           G              D
May you always know the truth - And see the lights surrounding you

D                              A/Db
May you always be courageous - Stand upright and be strong

G       A7sus    A7                   D
May you stay ---------------- forever young

A                   Bm            D    A7sus   A7                       D
Forever young, forever young ---- May you stay -------------- forever young

Break – D-A-Bm- G-D

D                              A/Db
May your hands always be busy - May your feet always be swift

Bm                                           G              D
May you have a strong foundation - When the winds of changes shift

D                              A/Db
May your heart always be joyful - And may your song always be sung

G       A7sus    A7                   D
May you stay ---------------- forever young

A                   Bm            D    A7sus   Bm
Forever young, forever young ---- May you stay -------------- forever young

D       A7sus    A7                       D   A       D
May you stay ---------------- forever young
