E          A          E          A          E          A          E
She broke down and let me in
E          A          E          A          E          A          E
Made me see where I’ve been
E-A-E      A          E
Been down one time
A          E

Been down two times
Bm         Gb         Bm         A          E          A          E
I’m never going back again

E          A          E          A          E
ummmmmmmmm

E          A          E          A          E          A          E
You don’t know what it means to win
E          A          E          A          E          A          E
Come down and see me again

E-A-E      A          E
Been down one time
A          E

Been down two times
Bm         Gb         Bm         A          E          A          E
I’m never going back again

E          A          E          A          E
ummmmmmmmm
