Both Sides Now
Chords And Lyrics
By Frank Sinatra

Capo 1st (optional)

Intro – G-C/G-G-C/G-G-C/G-G-C/G

G   C/G   G   Bm   C   G
Bows and flows of angel hair - and ice cream castles in the air
   C   Am   Dsus   D
And feather canyons everywhere - I've looked at clouds that way
G   C/G   G   Bm   C   G
But now they only block the sun - they rain and snow on everyone
   C   Am   Dsus   D
So many things I would have done - but clouds got in my way

G   C/G
I've looked at clouds from both sides now
C/G   G   C/G   G
From up and down and still somehow
Bm   C   G   D7sus   D7   G   C/G   G   C/G
It's cloud illusions I recall - I really don't know clouds ------- at all

G   C/G   G   Bm   C   G
Moons and Junes and ferris wheels - the dizzy dancing way that you feel
   C   Am   Dsus   D
As every fairy tale comes real - I've looked at love that way
G   C/G   G   Bm   C   G
But now it's just another show - You leave 'em laughing when you go
   C   Am   Dsus   D
And if you care don't let them know - don't give yourself away

G   C/G
I've looked at love from both sides now
C/G   G   C/G   G
From give and take and still somehow
Bm   C   G   D7sus   D7   G   C/G   G   C/G
It's love's illusions that I recall - I really don't know love ------- at all
G   C/G   G   Bm   C   G
Tears and fears and feeling proud - to say "I love you" right out loud

Dreams and schemes and circus crowds I've looked at life that way

But now old friends are acting strange
They shake their heads they say I've changed
But something's lost but something's gained - in living every day

I've looked at life from both sides now
From win and lose, and still somehow
it's life's illusions I recall - I really don't know life - don't know it at all
