Try A Little Kindness
Chords & Lyrics – By Glen Campbell

D-C-G- (x4)

If you see your brother standing by the road

With a heavy load - from the seeds he sowed

And if you see your sister falling by the way

Just stop and say - you're goin' the wrong way

You've got to try a little kindness yes show a little kindness

Yes shine your light for everyone to see

And if you'll try a little kindness - then you'll overlook the blindness

Of the narrow minded people on the narrow minded streets

Don't walk around the down and out - lend a helping hand

Instead of doubt
And the kindness that you show every day
Will help someone - along lifes way

You've got to try a little kindness yes show a little kindness
Yes shine your light for everyone to see
And if you'll try a little kindness - then you'll overlook the blindness
Of the narrow minded people on the narrow minded streets

You've got to try a little kindness yes show a little kindness
Yes shine your light for everyone to see
And if you'll try a little kindness - then you'll overlook the blindness
Of the narrow minded people on the narrow minded streets

Of the narrow minded people on the narrow minded streets
